BREED IMPROVERS

Sale to be held at

Marellbar Farms, Libertyville, Illinois

(Please bring this catalog with you.)

A Word to Our Customers and Friends

When our 1955 sale was over and we had finished the year with the third highest average, the top-selling bull, the second top-selling female, and the top female average of all Shorthorn auctions in North America, we were asked, "What will happen in June, 1956? Can you bring out another offering of equally high quality?" Well, I don't know what the prices will be . . . that will be left up to the buyers. We will guarantee this much however . . . **we have never offered a better lot.** Their breeding, quality and uniformity are proof of a constructive program instituted twenty years ago. This year all of the cattle we are selling were bred at Marellbar, in fact a number of them will show two and three generations of Marellbar breeding, conclusive evidence of sound planning.

Our recently organized Chicagoland Shorthorn Club includes a number of neighboring breeders and former associates. We are happy to have them become a part of the annual Marellbar Invitational Sale. Their cattle have been carefully selected in order that each entry shall be of a kind that will maintain the high level that has been so well established. Nothing but the best has been listed.

The Marellbar Invitational Sale was founded with the thought that by helping our associates we would also help ourselves. I am pleased that our annual June sales arrangement has been most satisfactory for our associates as well as for Marellbar Farms. In our Chicagoland Shorthorn Club we have an organization of the best breeding herds and a grand lot of enthusiastic breeders who will make every effort to improve the annual sale.

All of us join in extending to you a most cordial invitation to attend this sale on **June 5th.** We know you will like our cattle and that you will have a pleasant day.

Cruggleton Leishman
Calved Feb. 2, 1951

Cruggleton Leishman was Reserve Supreme Champion at the Perth show and sale in 1952 where he was purchased for 3000 guineas. He is not only one of the best Shorthorn bulls in America but also many visitors from abroad have expressed the opinion that he would be an attraction in a number of herds in other countries. His first and second crops of calves are proof of his inestimated value in the Marellbar herd. The show record of his first calves in 1954 and 1955 leaves no doubt as to the mark he is making for the improvement and the promotion of Shorthorns everywhere.

On June 5 we will sell four sons and six daughters. We would like to keep all of his daughters, but in accordance with our custom we share our best with our customers. His four sons and five daughters in our 1955 sale averaged \$1906. Whether prices will be the same this year or not, we know every buyer who takes home a son or daughter of Cruggleton Leishman will be taking home real herd improvement.

Phopachy King Charles

His dam is Augusta Linda by the famous Kirkton Baronet, he by Lawton Field Marshall. Granddam, Augusta Colinda by Kirkton Air Raid. Great granddam by Lawton Field Marshall, sire of Kirkton Baronet. Kinellar Metaphor

Last fall when we saw the Gallant Marshal calves in Scotland we made the prediction that his calves would make an outstanding record at Perth and that Wm. McGillivray had the champion calf. Events have proved our prediction. At the 1956 Perth Show and sale Gallant Marshal sired the top-selling bull (bought by Acadia Farms for \$25,500) the Reserve Senior Champion, Reserve Junior Champion, Champion Group of Three Bulls by One Sire, Best Three Bulls and Best Five Bulls. Now we are the first to bring this breeding to you. Kinellar Metaphor arrived in Libertyville, February 22, 1956, and five heifers in this sale sells bred to him, Lots 12, 13, 14, 15 and 17.

Six sons and six daughters by Purvis in 1953, 1954 and 1955, totalled \$42,050. How many herd sires in America can equal that record? Lots 6, 19, 43, and 44 are by him, and Lot 23 is by an outstanding son.

Left: Ballathie Heir was bought at side of his dam, Ballathie Dorothea, in the 1952 Grant Campbell Sale for \$1,800 for the pair. He is by Kirkton Heir by the celebrated Kirkton Baronet, and is sire of Lots 9, 27, 28, 29, for Spring Willows, and service sire of Lots 25 and 26.

Ringwell Lodestar by Beaufort Bulldozer, was the Supreme Grand Champion of the 1954 International Livestock Show for Ringwell Farms, consignors, and his paternal sister was grand champion female at the same show. It was the first time that the Shorthorn grand champions of both sexes at an International were sired by the same bull. Lots 35, 36 and 37 in the Ringwell consignment sell bred to him, one close to calving by sale day.

Leveldale Profile by Kirkton Gambler, was second prize senior yearling in a strong, class at the 1953 Chicago International for Ringwell Farms and has been doing a great job as a sire for them ever since. He is service sire of Lot 38.

Calrossie Highland Chieftain was top-selling Calrossie bull at the 1953 Perth sale and was bought there by Kickapoo Farms, consignor to this sale. His calves at the 1955 International won first in the senior Get of Sire, first in the junior Get of Sire, second Three Bulls, second Pair of Yearlings, and reserve grand bull championship. He is sire of Lots 30, 31, 32, 33, and 34.

Left: Leveldale Custodian was the top-priced American-bred bull in modern history at \$19,000, bought in the 1952 Leveldale Sale by Susanna Farms, where he is living up to all expectations as a sire. His calves were a sensation at the 1955 Illinois State Fair, see page 58. He is sire of Lots 39, 40 and 41.

Left: WL Ala Prince is undefeated grand champion Short-horn bull so far at the major shows this year . . . grand champion at Denver, Fort Worth, Houston and San Antonio. He is by Crugleton Allardice, a great improving former sire at Marellbar, and sire of a number of the dams of cattle selling in this sale. He is one of the latest up-to-date examples of how Marellbar-bred cattle perform for those who own them.

Right: Marellbar Prefix by Crugleton Purvis was bought in the 1953 Marellbar sale for \$3,700 by Gilbert Kardel, Walcott, Iowa, where he is doing a grand job siring the right kind of calves. He is the maternal half-sister of Marellbar Rosewood 2d, Lot 11.

Left: Marellbar Gambler is another top bull in the 1953 Marellbar Invitational sale bought at \$1,950 by Lomas Farm, Villisca, Iowa. His son, LF Gambler 3d, consigned by Lomas Farms to the great 1956 Omaha, Nebraska, sale, topped the sale at \$1,000 going to Wilfred & Ralph Engel, Grainfield, Kansas. He is out of the same dam of Lot 5 in this sale.

U-Drive Concern by Marellbar Protector, is shown receiving the 1956 Supreme Championship over all breeds in the female division, in the strongest yet of all shows of all breeds at the Valley City (North Dakota) Winter Fair, for Philip Sauer & Son, Sanborn, North Dakota. She was shown by David Sauer, at the halter, in the Junior Futurity and went all the way up. She is out of a daughter of Marellbar Augusta 90th by Marellbar Mandate. Marellbar Protector calves at the Valley City Winter Show this year also won the Shorthorn bull reserve championship, the grand championship among the sale bulls and second in Pair of Bulls.

Left: Marellbar Protector by Crugleton Purvis was bought by Philip Sauer & Son at the top price of \$5,000 in the 1954 Marellbar Sale. He is sire of the heifer shown above. His uterine sister sold in a Marellbar sale for \$5,000; his sire sold for \$22,500 and his half brother for \$10,000. He is by the same sire as Lots 6, 19, 43 and 44 in this sale.

Marellbar Jilt 7th—A daughter of Cruggleton Leishman that was pictured with her dam in the 1954 August special issue of The Shorthorn World as a subject lesson in type and performance. Marellbar Jilt 2d by Beaufort Bonspiel, was a prominent prize-winner as a calf, as a yearling, and as a two-year-old. This heifer is a perfect duplicate of that prize-winning dam. This Jilt family has produced show winners for us every year. Sells bred, October 13 to Marellbar Informer, Lot 1.

Marellbar Rosewood by Cruggleton Leishman, was reserve junior and reserve grand champion female for Marellbar Farms at the 1954 Chicago International. Lot 11 is a full sister.

We were quite undecided about selling this heifer, and I personally regret very much that she is to be sold. This is one family that is very difficult to buy in any herd. Had it not been that we have two full sisters, she certainly would not be offered for sale. She was bred to **Kinellar Metaphor**, son of the now famous sire, Gallant Marshall.

Marellbar Lavender—A great heifer with a pedigree hard to match. She is by Marellbar Protector, the \$5,000 son of Cruggleton Purvis now in the Philip Sauer herd, and he the sire of the grand champion heifer over all breeds at the 1956 North Dakota Futurity show in the strongest show in the history of that event. Lavender Lady is a full sister to Cruggleton Leishman. Lavender Electra was bought at 1,300 guineas in the Cruggleton dispersion and is one of the most valuable cows of the Shorthorn breed.

These are the bulls shown on the front cover. Four of them sell. Left to right: Lot 2, Marellbar Decoration, Lot 3 Marellbar Pilate, Lot 6 Helmor Purvis 361, next, Marellbar Prospectus, recently sold, and at the extreme right, Lot 1 in this sale, Marellbar Informer.

Changing seasons never change a conscientious breeder's desire to make the best in his herd better . . . nor do economic fluctuations change the dependability of the Marellbar sale productions to satisfy that desire. This is without question the best group ever sold in a Marellbar Invitational sale. Superior type and quality are accompanied with rich pedigrees. Of the 51 lots offered, 43 are by imported or imported-in-dam bulls, or are themselves imported; 25 others are out of imported dams, and twelve of the eighteen bred heifers are mated to imported or imported-in-dam bulls.

These five heifers are offered in this sale by Kickapoo Farms. Left to right: Kickapoo Secret Ray 4th, Lot 33; Kickapoo Lavender A, Lot 30; Kickapoo Orange Mary, Lot 32; Kickapoo Orange Belle 2d, Lot 34, and Kickapoo Broadhooks 5th, Lot 31.

These four heifers are the Susanna consignment in this sale. Left to right: Susanna Princess Royal 2d, Lot 40; Susanna Mayflower 20th, Lot 41; Susanna Victoria 9th, Lot 42; Susanna Bessie, Lot 39.

**Cattle from Marellbar Invitational

SCOTCH SHORTHORNS

These four sons of Calrossie Highland Chieftan were the sensation of the 1955 International. Left to right they are Kickapoo Perfect Chief, second prize senior bull calf; Kickapoo Gipsy Chief, first prize senior bull calf; Kickapoo Council Chief, reserve grand champion bull; and Kickapoo Flight Chief that sold in the International Sale at \$1,125 to Henry Dietz of Wakeeney, Kans. Two of them are in the group below.

First prize Get-of-Sire at the hotly contested 1955 International Livestock Exposition was won by these four by Calrossie Highland Chieftan for Kickapoo Farms. Kickapoo's consignment of five heifers are all by the same sire.

She was first prize junior heifer calf at the 1955 International Livestock Show, and a member of our first prize get-of-sire, first prize junior get-of-sire, second prize pair of females, and second prize pair of calves. We have two very definite reasons for offering such a prized possession—one—in appreciation for having been invited to sell in the Marellbar Invitational Sales for six consecutive years . . . two—having joined the Chicagoland Shorthorn Club, and this being, in a way, an introductory sale of the quality Shorthorns the Club will be offering in future events, we decided we must sell five very choice daughters of Calrossie Highland Chieftain. Ringwell Clara Belle—A very typy heifer with an exceptionally good head and from the prolific Marellbar Clara family. We bought her dam at \$1,000 in the 1951 Marellbar sale, where another maternal sister sold in the same sale at \$1,000. Their dam was a regular producer of good calves. This heifer will make a good addition to any herd. Sells bred September 14, 1955 to **Leveldale Profile**, second in a strong class at the 1953 International and a son of that noted producer of top sellers, Kirkton Gambler.

The consignors to this sale have an unusual record in the coveted honor of winning gets of sire. These four by Leveldale Custodian were first at the 1955 Illinois and Wisconsin state fairs and include Susanna Custodian 4th, 1955 International Congress sale champion bull that sold at \$1,850 to Nelson Farms, Geneseo, Ill.

Left: These three steers by Leveldale Custodian in the strong junior competition at the 1955 International stood 1st, 2nd, 3rd, in a class of 31 summer yearling steers at the 1955 International, a most unusual record for any bull. They were shown by Jane Inness, Galesburg, Edward Hiltabrand, Ottawa, and Dean Cox, Alvin. All these junior showmen have steers again this year from Susanna. Another steer by Leveldale Custodian was champion at the 1956 Houston, Texas, Stock Show.

Right: The winning junior Get-of-Sire award at the 1955 Illinois State Fair at Springfield, were these three offspring of Leveldale Custodian, shown by Susanna Farms. Left to right: Susanna Custodian 6th, 1st senior calf; Susanna Carnation, reserve grand champion, and Susanna Custodian 7th. Three heifers by the same sire sell in this sale.

These beautiful daughters by Leveldale Custodian are typical of the kind he is siring. This group are going back into the herd as the mothers for future prize winners.

Susanna's Bessie—The first daughter of Leveldale Custodian we have offered in the Marellbar sale, and a good one . . . the kind that will enhance the best heritage of your herd bull. Her dam is by the highest selling son of Edellyn Royal Leader; her granddam is by imported Cruggleton Proud Prince. We are keeping most of the Leveldale Custodian daughters. They are a grand group and display amazing uniformity. We will part with only a few. Susanna's Bessie will be bred before sale day to **Susanna's Basis**, our junior herd sire by Leveldale Basis, sire of both 1955 International grand champions. His dam is Leveldale Rothes Queen 2nd by Calrossie Good News, top female in the 1952 Leveldale sale, and mother of four grand calves for us. Susanna's Basis first calves are outstanding.

Susanna's Princess Royal 2nd—A thick, typy daughter of Leveldale Custodian that stands on short, sturdy legs, and is perhaps the best female that has ever left our farm. She has the thick, mellow fleshing indicative of the Custodians. We are basing the future of our herd on the females by Custodian, and only because we have two sisters to this heifer in the herd did we feel that we could part with her. She could grace any herd. 1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of this state.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
